COMPREHENSIVE HANDICAPPING REPORT (CHR)

Keeneland R11

Saturday, October 31, 2026 | 12f Turf | G1 BCTurf

Report Section 1: Pace Analysis

True Front Runners

The model identifies two horses with elite early speed credentials in this turf route. **Minaret Station** (10/1/26 Belmont, won by 0.50L, led at the 4f call) demonstrates a natural gate-to-wire profile. **Tiffany** rounds out the speed contingent with proven early positioning; she can control the pace or stalk.

Stalkers / Pressers

The model identifies **Burnham Square** as an elite pace-stalker with tactical flexibility—proven ability to rate off the pace (8/1/26, settled 3-4 wide, kicked clear late for the win). **El Cordobes** demonstrates strong stalking credentials (8/9/25 Saratoga, rated inside, strong kick for the win). **Far Bridge** (3/28/26 Gulfstream, angled 3-wide in the upper stretch for victory) adapts to different pace scenarios.

Closers

Survie (8/15/26 Saratoga inner turf, dominant win from a 6-wide rally) and **Diamond Necklace** (6/14/26 Chantilly, kicked clear late) are the elite closing specialists. **Bay City Roller** (6/6/26 Epsom, rallied from mid-pack for a dominant win) offers explosive closing punch. **Map of Stars** presents a closing profile with versatility.

Pace Scenario Projection

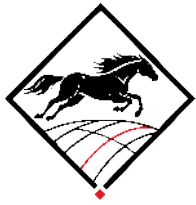

MODEL PREDICTS: **MODERATE** early pace with Minaret Station on the lead and Tiffany pressing—projected :51 1/5 opening half-mile and :49 second half-mile through the mile. The steady early tempo leaves the leaders with something in reserve, so tactically placed stalkers hold the edge; closers need a clean run from 4-5 lengths back in the final furlong.

Fractions corrected: the original output labeled the :51 1/5 opening half-mile as a quarter and the :49 second half-mile as a quarter.

Report Section 3: Contender Analysis

Tier 1 — Primary Contenders (★★★★)

BURNHAM SQUARE — 8-1 ML | 10% Model Win

PTW Profile: Turf router with a proven route acceleration pattern. Trainer Wilkes 29% in graded stakes routes (9 wins from 31 starts, 4.95 ROI). Closing wins in strong-pace races.

Strengths: Natural route specialist; tactical stalking position allows a clean run in the final furlong; wins by rally (8/1/26, devastating late kick); three recent turf route wins (8/1, 6/13, 4/18).

Concerns: Only 3 starts at 12f; requires clear running room in the stretch; a slight underlay at 8-1 (11.1% implied vs. 10% model).

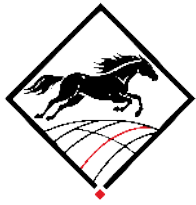

Trip Projection: Settles 3-4 wide into the first turn, stalks from the middle division, and kicks 2-3 furlongs out.

MINARET STATION — 15-1 ML | 8% Model Win (OVERLAY)

PTW Profile: Early-speed turf specialist on an upward class trajectory. Recent Belmont victory (10/1/26) by 0.50L. Trainer Walden (170 turf races, 23% strike rate, 2.21 ROI).

Strengths: Gate-to-wire credentials; won the Belmont stakes with Far Bridge closing on him; 4 wins from 9 starts; clear early pace advantage; the field's only horse rated ELITE for both opening and sustained speed.

Concerns: Must hold the lead with Tiffany pressing; distance stretch to 12f; 30 days since his last start.

Trip Projection: Breaks alertly and leads through the first 6 furlongs, with stalkers applying pressure on the turn for home. Collapse risk rises if pressed hard.

SURVIE — 15-1 ML | 9% Model Win (OVERLAY)

PTW Profile: Elite closing specialist with a dominant Saratoga inner-turf win (8/15/26, 6-wide rally). Trainer Boughey 2-for-2 in graded stakes turf routes (8.92 ROI). Largest overlay in the race (+2.7%).

Strengths: Explosive closing kick; form at a peak (3 wins in last 5 starts); experienced route runner; G1 credentialed.

Concerns: Post 11 requires a smart ride to find position; G1 route losses at Longchamp in 2024; depends on the pace setting up.

Trip Projection: Settles 5-6 wide early, moves 3 furlongs out from 5 lengths back, and gains rapidly in the final 2 furlongs.

DIAMOND NECKLACE — 3-1 ML | 13% Model Win

PTW Profile: Closing mare with graded stakes credentials (wins at Longchamp, Deauville, Goodwood), 6 wins from 8 starts. Highest model probability in the field, but the 3-1 morning line (25.0% implied) makes her a -12.0% underlay.

Strengths: Exceptional recent form (4 wins in last 5 starts, including a Longchamp stakes on 10/4/26); proven route winner.

Concerns: VULNERABLE Sustained Speed Rating; every win has come from off the pace, so she needs the race to set up; loses if the early speed gets an easy lead.

Trip Projection: Settles mid-pack and makes a final-furlong rally. Risk: may get shut off in the pack.

Tier 2 — Secondary Contenders (★★★)

EL CORDOBES — 15-1 ML | 8% Model Win (OVERLAY)

PTW Profile: Consistent turf router with strong stalking credentials. Trainer Appleby 27% in turf routes. Recent Belmont stakes (10/1/26, checked at the 1/16) shows tactical flexibility.

Strengths: Proven at 12f on turf; natural stalker; Buick elite on turf.

Concerns: Checked late at Belmont.

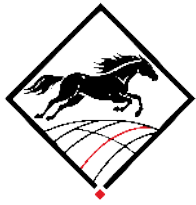

Trip Projection: Settles 2-3 wide, stalks from the middle division, kicks in the upper stretch.

TIFFANY — 10-1 ML | 7% Model Win

PTW Profile: Strong turf form with 9 wins from 19 career starts. Multiple G1 wins abroad. Light 2026 campaign (4 starts).

Strengths: European G1 winner; proven at 12f; natural early speed; trainer Prescott excellent with mares.

Concerns: Last win 8/9/26 at Hoppegarten and unraced since (83 days); form freshness unknown.

Trip Projection: Presses Minaret Station or stalks, then makes a mid-stretch move.

BAY CITY ROLLER — 5-1 ML | 10% Model Win (UNDERLAY)

PTW Profile: Closing specialist with 5 wins from 16 starts. Dominant win at Epsom (6/6/26) from a rally. Recent Ascot (10/17/26, 3rd, beaten 5.5L) shows vulnerability in top company. Second-highest model probability before rounding, but a -6.7% underlay at 5-1.

Strengths: Explosive late kick; proven at 12f.

Concerns: Last start well beaten; form decline evident; only 14 days since that run.

Trip Projection: Stalks, then rallies in the final furlong.

Tier 3 — Pace Factors / Longshots (★★)

ETHICAL DIAMOND — 10-1 ML | 6% — European route specialist, Mullins-trained, graded stakes credentialed. Recent stakes 2nd shows readiness. Fractional data limited.

FAR BRIDGE — 20-1 ML | 6% (OVERLAY +1.2%) — Veteran with 10 wins from 22 starts. Trainer Clement (581 turf races, 19%, 1.87 ROI). Last win 3/28/26; 2nd by 0.5L to Minaret Station at Belmont (10/1/26). Age 6.

HOTAZHELL — 15-1 ML | 4% — 4-year-old with European G1 wins (Leopardstown, Munich). Fractional data severely limited.

TELESCOPIC — 30-1 ML | 2% — 3 wins from 18 starts; recent Keeneland AOC win (9/27/26); 0-for-6 in graded stakes.

TEST SCORE — 30-1 ML | 3% — Motion-trained, 6 wins from 17 starts. Competitive but not at G1 level. Trainer Motion strong on turf routes (545 races, 19%, 1.68 ROI).

DEEP MONSTER — 30-1 ML | 1% — 8-year-old, 7 wins from 30 starts. Declining form (11th at Tokyo 11/30/25).

JOHANNA WALSH — 12-1 ML | 4% — 3-year-old filly, 2 wins from 6 starts, including a Curragh maiden win (7/18/26). Major class gap to G1.

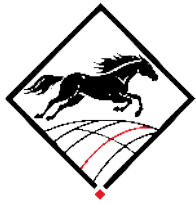

MAP OF STARS — 20-1 ML | 4% — 6 wins from 14 starts. Recent 2nd at Deauville (8/15/26). Trainer Graffard limited G1 turf record.

Critical MPH Insight

The model identifies **Minaret Station** as the field's elite gate-to-wire performer with ELITE Opening Speed and ELITE Sustained Speed—no other horse matches this combination. **Survie** carries the other ELITE sustained rating as a closer. Conversely, **Diamond Necklace** and **Test Score** (VULNERABLE) show measurable fade risk late. The field's speed balance favors route-type runners who maintain velocity over pure closers.

Report Section 5: Improvement & Regression Candidates

Likely to Improve

MINARET STATION — Trainer Walden 21% with route specialists. Recent Belmont victory (10/1/26) proves readiness 30 days out; this race is a logical step up.

BURNHAM SQUARE — Recent turf route streak (wins 8/1, 6/13, 4/18). Trainer Wilkes 29% in graded stakes routes elevates the projection.

EL CORDOBES — Recent Belmont stakes (10/1/26) shows tactical flexibility and fitness. Trainer Appleby 27% in turf routes.

Bounce / Regression Risks

DIAMOND NECKLACE — Strong winning run capped by a Longchamp stakes win on 10/4/26. Career-best efforts are clustered; bounce risk is real after an intensive campaign.

TIFFANY — Unraced since her 8/9/26 win at Hoppegarten (83 days). Form freshness unknown.

TEST SCORE — Recent form shows deterioration. VULNERABLE sustained rating.

BAY CITY ROLLER — Beaten 5.5L at Ascot (10/17/26); form decline evident, and only 14 days to recover.

Report Section 6: Suggested Bets

WIN BET: BURNHAM SQUARE — Confidence 8/10 — Target Odds: 7-1 to 9-1

The model projects 10% win probability, behind Diamond Necklace (13%) and level with Bay City Roller (10%). Four factors support the selection:

1. Pace scenario fit: the moderate pace suits his stalking profile, keeping him within striking distance of the leaders.
2. Trainer pattern: Wilkes 29% in graded stakes routes (9 for 31), 4.95 ROI; three recent turf route wins prove readiness.
3. Trip: settles 3-4 wide, stalks in the middle division, and kicks into the stretch.
4. Velocity maintenance: STRONG Sustained Speed Rating, an advantage over closers who need the pace to collapse.

Value Assessment: **FAIR PRICE / SLIGHT UNDERLAY**—8-1 implies 11.1% vs. the model's 10% (–1.1%). His fair price is 9-1, the top of the target range.

Burnham Square is selected for his pace-scenario fit and trainer pattern over Diamond Necklace (13%), a heavy underlay at 3-1 (–12.0%).

VALUE PLAY: SURVIE — Confidence 8/10 — Target Odds: 13-1 to 16-1

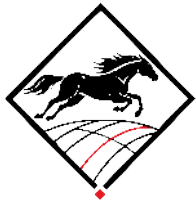

The model projects 9% win probability at the 15-1 morning line (+2.7% edge, the largest in the field). Trainer Boughey is 2-for-2 in graded stakes turf routes. Her Saratoga inner-turf win (8/15/26) came from an explosive 6-wide rally. Form at a peak (3 wins in last 5). She is priced at 15-1 while Diamond Necklace sits at 3-1—a significant line discrepancy. Prat rides from post 11.

LONGSHOT PLAY: MINARET STATION — Confidence 7/10 — Target Odds: 12-1 to 16-1

The model projects 8% win probability at 15-1 (+1.7% edge). Gate-to-wire profile and the field's only dual ELITE speed rating. High-variance play: if pressed hard early, collapse risk rises.

Multi-Race Wagers — Pick 3/4/5/6 Top 3

A: BURNHAM SQUARE — 10% (primary selection)

B: SURVIE — 9% (closer overlay)

C: MINARET STATION — 8% (gate-to-wire speed)

Combined Projected Probability: 27%

Note: Diamond Necklace (13%) and Bay City Roller (10%) rank at or above these picks on model probability but are left out as underlays.

Report Section 7: Confidence Rating

★★★★ (4 of 5 stars)

The model projects this race with clear pace definition and strong velocity-profile differentiation. Pace scenario certainty is MODERATE-to-HIGH: Minaret Station on the lead with Tiffany pressing, which gives stalkers and closers the advantage.

Primary value opportunity: Survie at 15-1 (9% model vs. 6.3% implied). **Public betting mistake to exploit:** Diamond Necklace is heavily overbet at 3-1 (25.0% implied vs. 13% model). Her recent winning streak creates recency bias, and her VULNERABLE Sustained Speed Rating flags fade risk. Pass.
